### President.

We are close to finalising our reports for the upcoming AGM. We have a positive result after depreciation for the year which is very pleasing to be able to present to our members. It has been a great year for the club.

We are in the process of switching to Wheronet which will bring a step change to our systems. There is provision for free WiFi in the club rooms and we see this as a necessity going forward for our members and visitors.

The woman are working towards a very big day for the club. Champion of Champions and the Rose Bowl. I would like to thank all the members, staff, committee and supporters in advance for your contribution to this event.

We are automating our sprinkler system over the coming weeks. This will remove the laborious job of manually turning the sprinkler system on and off. A great innovation and improvement from our ground staff.

Next month we are coming into the silly season so a reminder to be safe and sensible. Drink and drive responsibly.

**John O'Brien.**

## Labour Weekend Trip

Another successful Labour weekend venture has seen a wearier group of golfers and wives arrive safely home thanks to our smooth operator Basa. Saturday saw 24 golfers hit the Whangamata Course with Voicsey and Doug scooping the pool with 41 stbdfs each. Maxine was the best of the ladies with us women folk having to take a bit of a ribbing for our low scores.

We put heads on pillows at Katikati and eagerly set out to play Fairview on Sunday. Les Johns was the winner here with 38 points and a three way tie for second with 35 stbdfs saw Russell, Woody and Daryl doing a humming competition to get a winner. Russell's rendition of happy birthday stole the show making him the supreme winner out of that bunch, and also gave excellent entertainment for the rest of us.

The final day saw us hit the hills of Te Aroha where Daryl went berserk and hit 52 stbdf. Second place with

40 points was Ron and Neville and they had to give us a performance of the haka with Neville definitely coming out on top. Praba is going to make sure Ron improves on his poor performance for next year. The lassies saw Maxine again boring us with her skills with 40 points.

Overall tour winners earning the Red Sash were Daryl Putohe and Maxine Abbott, very modest winners, NOT!!!

Thanks to our non-golfing girls who kept themselves busy adding their touch of fun to our group. A Special thank you to Julie Keppel for taking her car and escorting them around. To sum up we had BEAUTIFUL weather, GREAT company and HEAPS of fun.
